Fellow Members,

I hope this letter reaches you in good health and spirits. As we enter the last days of Winter and look forward to Spring, notions of golf, tennis, swimming and other outdoor activities at our Club should be percolating. In the meantime, we can continue to enjoy the great opportunities to spend time with our family and friends in the Clubhouse. With that backdrop in mind, I would like to update you on your Board's activities.

At the Annual Meeting, the members elected Julie Brink, Rodney Roberts and Dr. Rex Schulz as directors and thanked retiring directors Dr. Bob Gutekunst, Dr. Joe Kuhlman and Chris Niemann. At the organizational meeting of the new Board, the following persons were elected as your officers: Paul Mugerditchian, Vice President; Chris Larson, Secretary; Jim Millman, Treasurer; and myself as President.

We share a big thanks to the outgoing directors and, in particular, Jeff Tweedell, immediate past President, for their years of service to our Club. We look forward to their continued engagement as active members.

Our priorities for this year are twofold: (1) continue the excellent quality of services delivered throughout the Club and do so in a financially responsible way, and (2) develop a long-range plan for the Club's capital needs that is informed by what you, the members, want in your Club going forward.

The key factor impacting the first priority is the Members' use of the Club, in particular for special events such as weddings, private parties, business meetings and dinners, and golf events. Our Club is unparalleled in the tri-state area in terms of quality and service, and I encourage you to use your Club for all of your special event needs.

We took a giant leap forward on the second priority when the Board met under Jeff's leadership in November to envision how the Club should look in the future and how we should start planning now for that future.

The current Board will take that good work and build out a more detailed plan of our short-, mid- and long-term capital needs and resources to fund them. We intend to reach out to you, the members, to refine that plan. Our goal will be to have a roadmap for our future that is also adaptable as opportunities and challenges arise and the members' interests evolve.

Based on your feedback through the membership survey and observing the activities that have been well attended, we have planned new events for this year and are bringing back some old favorites. Those include family bingo, family movie nights, monthly Sunday brunch buffets, regular menu rotations, and wine dinners and tastings. Our Golf Professional Gideon Smith has also responded by adding new family and junior golf events to expose and encourage the game of golf to members of all ages. We are even considering GolfBoards (google it for fun).

Our ability to achieve the twin priorities of solid long-term planning and continued high performance is directly dependent on you, the members. We need to hear your voices to inform our decisions. Please utilize the Club in all of its facets in order to make it not only a fun place for our families and friends but one that is financially sustainable.

The Board and I look forward to serving you this year. Spring is coming.

Dear Members

Welcome to the 2016 golfing season. So many exciting things await the golf season this year. We have new events planned for the family, men, women, and juniors. We will have new merchandise starting in March along with all the new equipment from Titleist, TaylorMade, and Ping.

New this year is going to be the Quincy Country Club Men's Golf Association. This association gives golfers the opportunity to play in all the Thursday and Saturday games at the Club. It also gives them a chance to compete for prize money by how they finish throughout the season.

We have a Women's Golf Trip planned for June 10th to Jacksonville Country Club —6 spots need to be filled.

Junior golf is always big at Quincy Country Club. QCC continues to have the best program for juniors in the Tri-State area. We will have a Junior Golf Olympics on August 5th, Opening Ceremony Day of the Olympics.

A Glow Golf Putting event that the whole family can enjoy is scheduled on May 27th. We will set up putt-putt holes with glow sticks and glow balls. What better way to kick off the Holiday weekend.

For couples, we are going to have a Block Party at the Club and a Couples Shootout the next day. It will occur during Dogwood weekend.

We are looking to have the Club as a main focus in your lives. The new Country Club website is going to be awesome. Look for that in mid-March. Like the Club's Facebook page and stay connected with upcoming events, release of new products, and more. You will see more clinics available to the membership and instruction opportunities. You have a passionate Golf Staff and we are looking forward to the 2016 golf season.
