## EMPLOYEE OF THE MONTH

**Drew Klauser** started working here as a bus boy in May of 2015.

He has two younger brothers, Noah and Aiden and two supportive parents.

Drew loves playing board games, camping, and working with technology. His goal is to go the college to get a Master's Degree in Computer Science, then hopefully become the next Steve Jobs!

As a favorite memory, Drew said he likes getting to know the members and seeing his classmates walk in, give him a smile, and say "hi."

Drew is an Eagle Scout. He attends Quincy Notre Dame High School where he serves as Treasurer of the school's Student Council.

Drew enjoys his job at the club and looks forward to getting acquainted with more of the members.

by Gideon Smith, Head Golf Professional  
 Can you believe June is here! June kicks the summer off for all Junior activities at the Club. Junior Golf Opening Day is June 7th. Junior golf meets every Tuesday from the first Tuesday in June through the first Tuesday in August. We have some

fun new activities this year for the kids. We will try our hand at a Pro-Junior event and we will have the Junior Olympics on August 5th, Olympics Opening Day. June is also busy for the rest of the membership. I encourage our new members to get involved and play in events. Our job as your professional staff is to make you feel comfortable and let you know what the events are and when they are. Coming up for women in June is the Women's Member-Guest on June 15th, women's golf trip to Jacksonville CC and our Wednesday evening 5:30 clinics. Please contact the Pro Shop for details.

The men have the Member-Member tournament on June 16th and 18th along with the Quinalac 1 day member and guest event on June 24th.

I have had the great opportunity the last few weeks to help some of our members with fitting them for wedges to help them improve their short games. Along with short game fittings come tips to help you with your short game. We will be uploading You tube videos for short game tips, long game tips, and iron tips. Check them out and see if they can help your game out.

We are looking forward to a great month of June with junior activities, PGA Junior League matches, Women's Member-Guest and the 2nd major of the year for Men, the Member-Member. Have a great month and we will see you at the Club. By the way, we have QCC pool towels in the Pro Shop. They are going to be great for pool season, so stop by and pick one up today.
