PAR for the course

by Gideon Smith, Head Golf Professional

What a great year for golf. The weather has been terrific for golf all season long. We had some great accomplishments made on the golf course this year.

Before we start with the rundown of the year first let's talk about some upcoming events. The Pro Shop Christmas Sale is December 8th from 3-7 p.m. Every year we have the sale and we allow for members to putt for their discounts and this year will be no different. You will be able to pick your merchandise and then putt for your discounts. If you are not sure what you need for that person who has everything golf related, come to the Pro Shop and we will help you with your shopping. How about some UnderArmour workout shorts (just around the house shorts) or Kentwool socks. Can't have enough socks in my opinion and especially socks that make your feet feel so good. Sunice outerwear pieces have taken the number 1 spot in the Pro Shop over UnderArmour. Come in and find out why. We have some golf ball specials and equipment specials but you will have to come in to find out about them at the Pro Shop Christmas Sale December 8th.

Now for the golfing accomplishments this year. We will just go over the major events that we have at the Club. Mike McCaughey was our Biggest Loser at the Club this year. The last 2 years we have had a lesson program that runs all summer long and the contestants take lessons and Adam and I help them with their games. Mr. McCaughey was able to lose the most points off of his handicap this year. Congratulations on not only taking the time to improve your golf game but also becoming the Biggest Loser at the Club. Jim Millman had a great playing year by winning the first major of the year in the Match Play event in April and capturing his first Senior Club Championship during the summer. Our next big major was won by Ryan Schuenke who had a playing year for the ages. Not only

did he win his 4th straight Club Championship, Player of the Year honors in the Quincy Men's Golf Association but as we all know he shot a Course Record "59". Congratulations Ryan Schuenke on such a great golf season. Lizzy Klingner was able to capture her first Women's Club Championship this year and Pam Rein won the Senior Women's Club Championship. Blake Hayden repeated as the Junior Club Champion for boys and Kate Chevalier was able to do the same feat and repeat as the Junior Girls Club Champion. The Men's Member-Guest was won by Dan Hayden and partner Dick Tracy. The low Women's Member and a Guest team was Peggy Grant and Lisa Grant. The Tuesday Night Men's League champions were Adam Derhake, Abram Geisendorfer and Eric Fynn-Thompson. Last, the Red team was able to repeat by one point in the Emery Cup matches in October. It was a really fun golf year and we are looking forward to seeing what 2017 will be like.

Tony will be leaving QCC at the end of the year. He has accepted the position of second assistant golf professional at St. Louis Country Club. Tony has been a great asset to the Club and he will be missed. I want to thank him for all the hard work that he did for the membership and for the golf operation. The Tuesday Night Men's League group will definitely be missing their Commissioner. Good luck Tony and I know you will do great!

I want to thank Matt Springer for everything he has done for Quincy Country Club and my family. The dedication that he put into his work and care of the course is second to none. He will be missed and I will miss our morning meetings of banter and finding out as much detail about what is going on for the day and year. Good luck, Matt—I know you will do great in your next phase in life.

Merry Christmas everyone from the Pro Shop Staff and we will see you at the Club.

Gideon

REMINDER

- Please remember to take your clubs before January 1st if you will need them during the shutdown.
