If Punxsutawney Phil had arthritis, how would he let us know if winter was over? There is no way the world famous groundhog would be able to scurry out of his burrow at daybreak to make the seasonal prediction if he lived with crippling arthritis pain.

On Groundhog Day, February 2, Dr. Crickard will provide general education on arthritis, tips to manage arthritis pain, surgical and non-surgical options to treat arthritis pain of the hips and knees, and advances in total joint replacement.

From the Manager

It is great to see you all after the annual shutdown and thankful for your support in 2016. With that said we have a great 2017 to look forward to!! Just think we are only 4 months away from the pool opening day!!

February offers great events such as a live seminar hosted by Dr. Crickard on February 2nd. Live entertainment each weekend for you all to enjoy, and of course our Valentine's Dinner event on the 14th that will give all the fellas a great place to plan your night with the spouse. If you need a sitter, look no further, just call me and let me know and I will take care of the rest!! Don't forget that each month we host a Sunday Brunch and this month it will be scheduled on February 26th

Our New Menu Rotations are starting this month, so plan to come out and try something new and allow our Executive Chefs to feed your curiosity with their very own handcrafted creations only available to QCC members and their guests!!

See you all at the club! God Bless!!

It is with great excitement that I inform you that we have updated the Quincy Country Club website! We have developed a new website that showcases our club and will enable our staff to keep you informed about everything happening at the Club. This new site enables us to consolidate our two previous sites (one for members and one for the public) into one, easy-to-use website that showcases our great facility.

We encourage you to visit www.quincycountryclub.org you will be able to get club information such as a calendar of events, previous newsletters, menus and more. You'll also still be able to log in and view member's only sections such as the photo gallery and direct you to your billing statements.

With this new site, we have also upgraded security features. With these added security features, each member will be asked to generate a new password the first time you log into the members section. To do so, you will need to do the following:

1. Go to www.quincycountryclub.org
2. Go to the member area of the website. This will bring you to a log in screen
3. If you had an existing account on the old website, your username will still be the same*
4. If you did not previously have an account set up. Your new username will be your Member Number
5. After entering your username click on the “Reset Password” link
6. You will then receive an email that will allow you to reset your password

If you experience any problems at all please feel free to contact:

Tech Help at 217-222-1052 or email at qcc1898@gmail.com

*If you do not remember your username, email qcc1898@gmail.com to receive your username.

We hope that you will be delighted with your new sight.

PAR for the course

by Gideon Smith, Head Golf Professional

Dear Members

We are in the heart of winter but we want you to be thinking about golf and spending time at the Club. Here are a few things that you need to do before golf season. Go to the Website for the Club and look at the golf events for 2017. They are on the calendar under golf. Next, start doing some light stretching. Get your body limbered up. Come in and schedule some winter lessons in the net. This is a great time to work on your GOLF SWING without worrying about ball flight results. If we can work on your swing mechanics, then the ball flight results will come. Last for our golf families, PGA Junior League practice will start in April, Junior Golf in June and Family Golf Events in the summer. Be proactive and make the necessary plans to have you and your juniors coming out to the Club and utilize the whole facility. Take family golf lessons as a group. This

is a great experience as a family. Sure the kids aren't going to completely pay attention and you will be worried about them running in front of a shot. But also remember this is a great moment that you are all experiencing together—family time at the Club. Sounds good and we look forward to spending time with you and your family. We have a new series that starts in February and will go throughout the year—Pros Teaching Members. Your PGA Professional Staff will have an educational series in the Ballroom on February 16th at 6 pm. Feel free to invite a friend that is not a member of the Club. Our first session is going to be: Unstoppable Short Game. I know that it is inside but listen to us talk about technique, wedge design, wedge fittings, and wedge gaps. Reserve your spot by contacting the Office or the Pro Shop.

Happy Valentine's Day and see you at the Club,
Gideon Smith, PGA

QUINCY COUNTRY CLUB
PRIVATE RECEPTION INFORMATION

As a Member of QCC, you have the ideal location, services, and professional staff to host your private reception. No matter how small or large, detailed or simplistic, the QCC staff will be here for you to create a successful reception at very competitive pricing!

Most facilities in town offer services similar to ours, however, what they do not offer is: Free room rental bookings for member events and only a \$5.00 pp charge for member-sponsored events, complete coordination of the event, linen choices, and the use of our vases, mirrors, votives and large centerpieces for food tables, also wireless internet access in our meeting rooms—complimentary! We offer a wide variety of background music and the coordination of private bands, quartets, flowers and centerpieces as well as harpists and pianists. Carvers and cake cutters at no extra charge and the best food selections in town. We will even duplicate Grandma’s favorite recipe just for you!!

Most facilities will up charge for these special requests that we feel you deserve as part of the “above and beyond services” that we strive to provide!

The average rental around town is \$500 – \$2000

From the second you enter, the club and its history are apparent with original architecture and design. From that point on my staff and I will work diligently to ensure that your guests receive preferential treatment.

All of this and much more because you are a member of Quincy Country Club! Why go elsewhere and pay the same and receive less. Support of your club also has benefits such as increased revenue which results in lower fees.

I guarantee a great event no matter what the event may be. My staff and I are excited to be a part of your special day!!
