PAR for the course

by Gideon Smith, Head Golf Professional

Dear Members

The weather has been unseasonably warm all winter and has allowed for some play on the course. With the warm weather we start thinking about new

items for our golf games. So what is new this year that you will see.

In the shoe department you are going to see the new Footjoy Hyperflex, the Pro S/L (Spikeless shoe with great support) and for our women golfers you will see the Footjoy Empower. From ECCO you will see both spikeless and spiked shoes for both men and women. We also have NIKE shoes coming in for both men and women.

Men's and women's apparel you will see Footjoy for both men and women and Sun Mountain. Both come in from the first of the month to the middle of the month.

Equipment has already started coming in. You will see the new Titleist 917 Driver and Fairway woods. The Callaway Epic driver is in and so is the Ping G Series woods. We have Titleist Vokey wedges and Cleveland golfs new wedges coming into the Pro Shop. Schedule your fitting today.

Let's kick the season off with some golf lessons. Start the season with a plan versus playing catch up and trying to work on your game after some early season struggles.

Here are the lesson series for the year.

Individual Lesson:	\$ 40
Lesson series of 3:	\$100
Lesson series of 5:	\$150
Biggest Loser	\$325

(April 1st through September 30th)

Practice with the Pro's Clinic every Thursday morning

from 7 am – 8 am \$180 for all 18 sessions or \$15 per session (1st Thursday morning in May through end of August)

Don't forget the 2 events that are coming up in March.

We have the St. Patrick's Day two-person scramble

being held on Saturday March 18th. It is a 12:00 PM shotgun start and you can invite a friend, fellow member, spouse or junior with a handicap. Sign-up in the Pro Shop.

The men's first major of the year is being held March 31st – April 2nd. The Men's Match Play Championship

is always a great way to start the season and the current Match Play Champion Jim Millman looks to defend his 2016 title. The event is handicapped and the low handicap players will be in one flight and the high handicap players will be in the other flight. The winners of each flight will meet in the finals. Those who are unfortunate and lose in the first round we will have a consolation bracket.

Have a great month of March and we are looking forward to seeing you at the Club this spring.

Gideon
