PAR for the course

by Gideon Smith, Head Golf Professional
Spring is here. Our noses are running, we are sneezing and coughing because of those sweet allergies. The grass is growing and the course plays it toughest in the Spring. Ben and his staff have been doing a wonderful job on the course.

We have a lot of new spring fashions in the Pro Shop!

May is Opening month for both men and women this year. We have moved the Men's Opening Day Stag to May because of late aerification of the greens. The Women's Opening Day still stands at its traditional first Wednesday of May. The men have multiple games being played throughout the day and the women have a 9:00 a.m. shotgun for 18 hole players and a 9 hole shotgun at 5:30 p.m. Congratulations Mark Ehrhart for winning the Pick 3 Masters pool in the Pro Shop. He was the only person who picked Sergio Garcia to win the Masters. We have some new events coming up for couples and women. We have our Beginners to Intermediate players group. We call it the Lucky 7 group. It starts on the first Wednesday evening in June and we tee off at 5:30 p.m. There is instruction involved in this program. This program is designed for the new player. The hesitant player who isn't sure about golf but really wants to learn in a

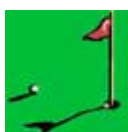

relaxed and fun atmosphere. We will play 7 holes, won't keep score, can move the ball, 1 stroke in a bunker and our own rule system. Want to find out more please contact the Pro Shop. We have the Couples League starting May 21st. Couples League will be played on 7 Sundays throughout the summer. We will shotgun start at 3:30 in the afternoon and play 9 holes each time in a fun and easy format. You will be paired with different couples each time. You will play for a small monetary amount weekly and overall. We will also have a buffet after golf for those that are interested in staying for dinner. The idea is to get you out to the Club, meet new people and have fun as a couple.

We have 2 new people working in the Pro Shop. Hayden Douglas has worked for the Club before and he is finishing up his Associates Degree at John Wood Community College. He will be doing a lot of work with inventory control and member relations. Joe Stelkel comes to us from Wisconsin. He is a teacher at the Junior High and has a lot of experience in kids sporting activities. He will be a great asset to our Junior Golf Programs and in the Pro Shop. Make sure to stop by and say hello.

Golf season is here, sign up for some golf lessons and kick the season off with a plan.

Gideon
