From the Manager

Welcome back!! We certainly missed all of you during the shutdown and hope you missed your club as well! With so many dining options in Quincy, we feel confident that your club offers the freshest, hand prepared, highest quality and unique menu options than you can get in town, let alone between St. Louis and Chicago! Did you know that your club prepares all of our menu items from scratch and to order? All of our sauces from scratch each day, our steaks and seafood hand cut to proportion from whole filets, our starch and vegetables hand prepared to our chefs' desired end result, all to be able to plate a quality dining experience for you and your guests! As you may have noticed at the end of last year we started presenting menus upon seating. This allows you to determine the speed of your experience while at the club for dinner.

With 2017 being so successful, my Front and Back of the House Team will be working hard to exceed last years' experience while offering quality service to ensure your enjoyment while at the club. We will be requesting and reminding periodically the importance of reservations at the club. While reservations are not required, they do allow us to ensure a better experience for you and your guests as well as expedite your orders in a well-planned and orchestrated manner.

I am also a firm believer that an empty room is a wasted room. We typically have space available for dining in our Legacy and President's Rooms, but we do ask for 48 hours advance notice to set the rooms and properly staff to ensure the service you deserve.

We offer an incredible service for "To Go" items here at the club and will be working extremely hard in maximizing the accuracy of these orders to provide you with a QCC experience in your own home. We will be setting aside a parking spot for "To Go Pick Up" orders for your convenience. It will be located by our QCC Pro Shop Bag Drop area. When you call, you will be given an estimated time for pick up based on our current in-house reservations. This will give us a little flexibility to service our in-house members while still providing you with a great at home QCC dining experience.

This year I will also be focusing on the hiring, training, and retention of seasoned and qualified staff that will be hand-picked, even from local restaurants that fit our model here at QCC. I desire to have the club be the best place to work in Quincy and will work hard to make sure that happens. Happy Staff equals Happy Members and our desire this year is to achieve that goal. You may see some new faces, maybe some old faces, but what I want you to see most are happy faces that love to serve you our members. Help me by letting them know they are valued and a part of the QCC experience.

Once the season arrives, our outdoor activities will increase. Our goal this year is to maximize services to you and your guests either patio or poolside and create safe, fun, and enjoyable social spaces for the entire family to experience. We will continue to focus on the kids this year as well. I firmly believe that a happy child growing up at QCC will return with their families to be able to provide what they experienced to their own children. The investment today, secures our success for tomorrow.

Those are just a few of the many areas that my incredible team will be working on this year and we will keep all of you updated on the new and exciting things to come in 2018, our 120th year anniversary of QCC!

I am very proud to be a part of this great club and thank you all for allowing me to serve you!

THIS MONTH:

It is great to have all of you back using your club and thankful for each and every one of you! The month begins with half-priced drinks from kick off until half time during this year's Super Bowl Sunday on February 4th!! Complimentary light appetizers will be provided. Stop out, have a great dinner and enjoy the company right here at QCC! Guests are welcome!

Gideon and Adam will be hosting a seminar on Wednesday night, February 7th, so plan to attend and gain some insight from our Golf Professionals. Details in Gideon's letter. Valentine's night will be a great way to enjoy each other with a romantic relaxing dinner at QCC. Reservations are required and a menu for this night will be provided. Sunday Brunch in February will be scheduled on the 18th—a great way to grab a quick lunch and on to your Sunday afternoon. Reservations are recommended.

See you all at the club! God Bless!!

PAR for the course

by Gideon Smith, Head Golf Professional

Happy New Year! I am writing the newsletter from the business center at the PGA Merchandise Show. This is our trade show for the PGA Professional.

We are shopping for everything June 15th and beyond. Plus we have other items that we are checking out that will help benefit us in teaching and coaching the membership. So far we have seen some really great items and tomorrow will prove to be just as busy. With the new year we are introducing some new programs for our members. We are building a program for our beginner and intermediate woman players—there is a spot for you. We will have a social gathering at 6 p.m. on February 7th at the Club. Please let us know if you plan to attend. What will you be expecting from the gathering? We will talk about the upcoming year, clinic dates throughout the spring and golf dates in the summer. We have created a program that is just for you. No longer will you be hesitant to play golf and enjoy the course. Bring your friends and meet some of the others that will be joining you on the course.

We are also going to have Junior Golf Camps in the spring on every other weekend. We will have PGA Junior League practices on Friday evenings and Junior Golf Camps on Saturdays starting in April. This is a great way for the juniors to get back into the game. We know they have other sports they will be doing but if they can make a few of the clinics then that will be great. We will charge per clinic.

Adam and I will present our first Golf Seminar on February 7th at 7:00 p.m. in the Ballroom. We have had a request to go over the rules of golf. Gather your rules questions and email them to qccpro@adams.net so we can be prepared. We will go over how to get ready for the weather to break and some rules of golf. We are super excited for the upcoming season and the some of the new programs that we will be introducing to the membership. Men, don't worry, we will be doing summer-long clinics for you also.

Spring is coming soon, so let's get prepared together—lessons in the net moving out to the range. We are also going to be doing more lessons and clinics on the course.

See you soon.

Gideon

Tuesdays and Wednesdays in the Loft (above the Pro Shop) Jenna Hull-Certified Personal Trainer NASM

Here is what you can expect from the classes taught by Jenna Hull and Maddy Bohr.

Overall Strength

Rotational Power - important for us athletes

Speed - making the club move faster makes the ball go further

Flexibility - huge in the golf swing; lack of flexibility is the number one swing and distance killer

Endurance - when spring hits, everyone runs out of gas on the back 9

Core Stability - help ward off back issues and be able to support the golf club in your swing

Overall Wellness - feeling good and looking good seems to be good for our overall psyche in golf

CORE FITNESS

Tuesdays

Class Consisting of: Strength, Cardio, Flexibility and Balance

Drop-in Rate \$12.00 per session

7:45 – 8:15 am

Wednesdays

Drop-in Rate \$12.00 per session

11:30 – 12:00 pm

Call Matthew, 223-3452, or email qccgm@adams.net to register

It is with great excitement that I inform you that we have updated the Quincy Country Club website! We have developed a new website that showcases our club and will enable our staff to keep you informed about everything happening at the Club. This new site enables us to consolidate our two previous sites (one for members and one for the public) into one, easy-to-use website that showcases our great facility.

We encourage you to visit www.quincycountryclub.org. You will be able to get club information such as a calendar of events, previous newsletters, menus and more. You’ll also still be able to log in and view member’s only sections such as the photo gallery and direct you to your billing statements.

With this new site, we have also upgraded security features. With these added security features, each member will be asked to generate a new password the first time you log into the member’s section. To do so, you will need to do the following:

1. Go to www.quincycountryclub.org
2. Go to the member area of the website. This will bring you to a log in screen
3. If you had an existing account on the old website, your username will still be the same*
4. If you did not previously have an account set up. Your new username will be your Member Number
5. After entering your username click on the “Reset Password” link
6. You will then receive an email that will allow you to reset your password

If you experience any problems at all please feel free to contact:

Tech Help at 217-222-1052 or email at qcc1898@gmail.com

*If you do not remember your username, email qcc1898@gmail.com to receive your username.

We hope that you will be delighted with your new sight.

QUINCY COUNTRY CLUB PRIVATE RECEPTION INFORMATION

As a Member of QCC, you have the ideal location, services, and professional staff to host your private reception. No matter how small or large, detailed or simplistic, the QCC staff will be here for you to create a successful reception at very competitive pricing!

Most facilities in town offer services similar to ours, however, what they do not offer is: Free room rental bookings for member events and only a \$5.00 pp charge for member-sponsored events, complete coordination of the event, linen choices, and the use of our vases, mirrors, votives and large centerpieces for food tables, also wireless internet access in our meeting rooms—complimentary! We offer a wide variety of background music and the coordination of private bands, quartets, flowers and centerpieces as well as harpists and pianists. Carvers and cake cutters at no extra charge and the best food selections in town. We will even duplicate Grandma's favorite recipe just for you!!

Most facilities will up charge for these special requests that we feel you deserve as part of the "above and beyond services" that we strive to provide!

The average rental around town is \$500 – \$2000

From the second you enter, the club and its history are apparent with original architecture and design. From that point on my staff and I will work diligently to ensure that your guests receive preferential treatment.

All of this and much more because you are a member of Quincy Country Club! Why go elsewhere and pay the same and receive less. Support of your club also has benefits such as increased revenue which results in lower fees.

I guarantee a great event no matter what the event may be. My staff and I are excited to be a part of your special day!!
