December 22nd

From the Manager

Dear Members,

That time of year where family and friends are together again and spending time just being in each other's presence. This time of year always sparks that calling to give a little more, serve a little stronger and to sacrifice a little longer. This Christmas season will be full of great events at your club starting off with our Pro Shop Open House scheduled on December 7th and your chance to start (or finish) your Christmas shopping list. Gideon and his staff will be waiting to see you all to personally wish you a Merry Christmas. Tim Hart will be at the club live on December 8th with his Christmas cheer starting at 6:30 and Santa will be here live and in person on Sunday December 17th to gather all the kids Christmas lists to make sure those last minute requests are not forgotten. Lavish will be here at the club on December 20th to assist you all in providing that perfect centerpiece for your Christmas Family table made by you for them right here at

QCC. Logan will be ushering in his Christmas set live on December 22nd starting at 6:30 and our Family Christmas Seafood buffet is scheduled for Saturday December 23rd. The club will close for Christmas, the 24th and 25th, for our staff to enjoy their family traditions. And finally our year end Dine and Dash New Year's Eve Event and Kids' Clubhouse on Sunday December 31st that will allow you a great sit down dinner and still time to hit a few events in town. (or back home to watch the Ball drop) Either way, we would love to have you at the club to allow us to wish you a very Happy and Blessed New Year! Thank you all for a wonderful 2017 and look forward to an even better 2018!!

See you at the club soon

Respectfully,
 Matthew Mulherin, Manager

From Me to YOU!

I want to take this opportunity to wish you all a very happy and joyous Christmas! What a day to celebrate after the gift that we have received! I am thankful for all that Christ has given me and my family and we truly feel blessed to be in the light of Jesus whom loved us beyond our own imagination! I am also blessed to be able to serve such an incredible membership here at QCC. You all have shown so much support over the years and can't tell you enough how grateful we are to serve Quincy Country Club.

Each day I reflect on the incredible experiences we have had since arriving in Quincy nearly 15 years ago. My wife and I started our Quincy adventure with two daughters, 1 now a junior and the other a freshman in College and twin boys who have brought a Dad such great joy. I wonder sometimes as to why I have been this blessed and realized that I can only direct that credit upward.

The bible says that God so loved the world that he gave his only son that we may have eternal life. (John 3:16) What a Christmas Gift!! Better than any gift that can be produced, purchased or even received from closest family! He also says that whatever you do to the least of these, you have done unto to me (Matthew 25:40) this is our chance to show the love that has been freely given to us to those in our path not only during this time but from this day forward.

Charles Spurgeon said

"God has a way of giving by the cartload to those who give away by shovelfuls"

And from John Calvin

"However many blessings we expect from God, His infinite liberality will always exceed all our wishes and our thoughts."

I hope you all travel safely, love one another and realize what blessings we have. So, from my family to yours and from me to you—God Bless to you and yours always!!

PAR for the course

by Gideon Smith, Head Golf Professional
 Congratulations to the winning team of Connor Daniels and Bryden Cory who won the Chili Open with a net score of 62. They were able to post the lowest score of the 18 team field.

The **Pro Shop Christmas Sale** is being held on December 7th from 3-7 pm. The balloon sale will give members a chance to pick out their items and pop a balloon for their discount. One lucky balloon will allow a member to get their purchase free. Everyone is always looking for that great gift for the Holidays so allow Adam and me to help you pick out the best gift for your golfers.

Adam Miller recently returned from Florida where he participated in his first National Assistants' Championship in November. He had a great experience and he appreciated all the member support and well wishes. The outcome wasn't what he wanted as he missed the 36 hole cut (78-78) but the most positive part is that it gives him fuel to work a little harder to get back to that position again. I can tell you from experience that playing in a National Championship is such a cool experience. We get the first tee jitters and feel the pressure on the putting surface just like you do playing in the Club Tournament or putting on the last hole for your best round of the year. Some people embrace it, some people shy away from it, and others haven't yet felt it.

As winter falls upon us and I know we will get some snow, sit back and reflect upon your year of golf. We did a seminar at the Club in November about reflecting on your year and how to prepare for the 2018 golf season. That preparation starts now to help you ease the pressures of the before mentioned items.

To prepare for 2018, think to yourself "WHY" you play the game of golf. It may take you a while to really truly think

of "WHY" you play. Once you know that then it makes it much easier to start the goal process and preparation for 2018. We all play for different reasons. Some play for enjoyment, exercise, tournament competition, or something else. There is no right answer. As you prepare, think about winter lessons to help you get to your 2018 golfing goals. We have started doing lessons in a simulator offsite and we have the net upstairs in the LOFT. Also we encourage you to look into the services of Jenna Hull (Nu Fit owner) who comes to Quincy Country Club and offers classes in the LOFT. We have 2 TRX workout bands upstairs, exercise balls, and some free weights. Get yourself in golf shape before the season begins (improving your golf swing and strength is getting into golf shape). Last, as you prepare, write down your 2018 golfing goals. Keep them on your phone, computer, in your golf bag or on your desk. Allow your PGA Professional Staff to become a part of your golf "TEAM." We want to be an important part of your team to help you get to your goals. Jordan Speith, Lydia Ko, Luke Guthrie and many major golf stars all have a team surrounding them to help them perform at their very best. We are here to help you enjoy golf more and get you out on our great course that Ben McNair and his staff do such a great job taking care of and preparing.

Have a great Christmas, a Happy New Year and we hope we can help make one of your New Year resolutions to play a few more holes of golf in 2018 come true. We are ready for you and your family at the Club.

Merry Christmas and Happy New Year,
 Gideon

**December 7th
 Three to Seven**

REMINDER

- Please remember to take your clubs before January 1st if you will need them during the shutdown.

With deep sorrow we announce the death of our friend at Quincy Country Club
