Sparkling Wines

Domaine Chandon Etoile

~ 35.00 BTL

Etoile, French for star, embodies our commitment to crafting the finest sparkling wine in America. The winemaking team has carte blanche in creating this wine. They have absolute freedom to break from all traditional limitations and commonly accepted rules in sparkling winemaking. For example, we impose no appellation requirement and allow the winemaking team to source from the very best vineyards in any given vintage. With no vintage requirements, we have the freedom to blend the current vintage with the perfect complement of library, or reserve wines, to build layers of depth and complexity. This is the concept of sur lees dating. We subscribe to no predetermined varietal blend or style; we simply reflect the best style the vineyards have to offer. Tiny bubbles elevate an attractive bouquet of ginger and brown spice. Appealing baked apple, honey and cinnamon flavors meld seamlessly with nutty caramel flavors gained from extended sur lees aging. The creamy and seamless structure combined with balanced acidity carries these flavors through the lingering finish.

Dom Perignon Millesime Brut

~ 199.00 BTL

The 2003 Dom Perignon is a big, broad shouldered wine. It does not have the seductiveness of the 2000, or the power of the 2002. It is instead very much its own wine. In 2003 Geoffroy elected to use more Pinot Noir than is typically the case, and that comes through in the wine's breath and volume. The 2003 is an atypically, rich, powerful, vinous Dom Perignon loaded with fruit, structure and personality.

Failla Chardonnay

~ 33.00 BTL

20% of Failla's young-vine Chardonnay blend was fermented and aged in concrete egg vessels. The remainder fermented and aged for 10 months in French oak, only 15% new and barely perceptible in the finished wine's flinty nose balanced with citrusy scents of grapefruit and lime filled out with a hint of jasmine and oyster-shell. The textural contributions of the concrete-fermented lots nicely balance the wine's vibrant mouth-watering acidity.

Zenato Ripassa 2009 ~ **32.00 BTL**

This wine is a blend of 80% Corvina, 10% Rondinella, and 10% Sangiovese. As soon as the dried grapes for the Amarone are fermented, selected batches of Valpolicella wine are “re-passed” over the Amarone’s lees, thus starting a second fermentation that slightly increases the alcohol content and gives the wine deeper color, increased extract, and more complex aromas. Ripassa is refined in tank for six months and then aged in French Allier tonneaux for eighteen months. The wine spends an additional six months in bottle before it is released. The deep ruby red color of the Ripassa and the intense yet fine aromas come from the mixture of grapes. It is full bodied, harmonic, and velvety on the palate. This blockbuster wine is one of Winebow’s all-time favorites.

This wine has a deep color that is starting to turn slightly garnet. It has a developing, very savory odor, with notes of olives, forest floor, dried meat/salami, dried cranberries, and earthy/steely mineral notes. On the palate, it is full-bodied, with medium acidity, medium tannin, and high flavor intensity with a long finish. The wine has very little fruit, and is almost too austere to drink on its own -- would definitely recommend having it with food. Very interesting and different!

Fontanafredda Barolo ~ **59.00 BTL**

Nose of black cherries, tobacco and dried flowers. Palate features light body with generous fruit, licorice and gravelly finish. Moderate to light tannins at the end, with decent acidity. Not spectacular, doesn't seem like an ager, but a solid wine. Slightly hot, as the 14% would suggest.

Fonseca Porto Bin No. 27

~6.00 BTG

Fonseca Bin No. 27 was created over a century ago for family consumption, and only released commercially in 1972. It is produced primarily from wines from Fonseca's own quintas in the Cima Corgo and thus shows an exceptional quality and consistency from year to year. Blended from reserve wines selected for their intense fruit character and depth of color, Fonseca Bin No. 27 spends four years in large wood vats prior to bottling. Although it may improve slightly with bottle age, Bin No. 27 is ready to consume when bottled. It does not require decanting, as a cold precipitation prior to bottling prevents any "crust" from forming. Its well-knit structure, rich, velvety full body and luscious blackcurrant and cherry flavors, also evident in the nose, carry into an intense, lingering finish. Bin No. 27 should be served at room temperature either alone or with simple, classic last courses and desserts. It is best consumed within two weeks after uncorking.
