APPETIZERS & SEMINAR

PAR for the course

by Gideon Smith, Head Golf Professional

Dear Members

It is almost golf time at the Club and in the Midwest. We are excited for the season to get started and to have you out on the course. There are many opportunities this year for golf instruction, groups to play in, and programs for juniors. With spring comes new merchandise in the Pro Shop. Also later this spring we will be introducing Jon Roberson as our new assistant. Jon comes to us from Culver Stockton College where he will be finishing his senior season on the golf team. He is excited to get started in the golf program and we look forward to introducing him to the membership.

Congratulations goes to Adam Miller who finished his last level in the PGA Apprentice Program and is now a Class A Member of the PGA. This is a great accomplishment.

We are just back from taking teams to the Gateway PGA Las Vegas Pro-Am. It was a great event and we look forward to taking 3 teams out to the desert next year.

Our new Ping products came in and the G400 driver is really good. Also the new wedges are soft—spin and

the turf interaction are great. I was especially pleased with the turf contact and performance from multiple lies with the wedges.

If you are a beginning woman player, we have a program for you. The group will be meeting on Wednesday evenings throughout the season starting the first Wednesday in April at 5:30 p.m. The program is for those that are new to the game and are wanting to try golf, play with a great social group, and enjoy time at the Club. Please contact the Pro Shop for more details so we can get you into this golf group.

We will again be running an instructional program—your professional staff members will be your own personal golf trainers. We will set up lesson plans tailored to your needs with on-course instruction and drills that will help you become a better golfer. We want your golf to be enjoyable this year.

Check Facebook and email as new products will be introduced on those platforms to the membership. You can also follow me on twitter at @gideonsmith73. Spring is around the corner and the grass will start to turn green and leaves on the trees will come. Have a great month of March and let us help you with your golf game.

Dear Members,

I am sending you this important message to encourage you, the members of Quincy Country Club, to become a part of our membership program. Studies have shown that the best way to reach prospects in the area is through the club's current membership. This allows you to personally explain what Quincy Country Club has to offer within all membership classes.

Below you will find our 2018 Membership Incentive Program that rewards you for your time and dedication to membership promotion. This program strengthens our membership levels by encouraging you to share your club experiences with a prospect you feel is a good fit for QCC.

So many members have told me that they wished they would have joined sooner. I honestly feel that if we all share the experiences we have at QCC with just a few around us, we will give them the opportunity to experience the same for themselves.

The Quincy Country Club is the finest club within 100 miles. We just need to make sure all prospective members know this.

Feel free to call or email me with any questions or to request your membership application for your prospect and our next member of Quincy Country Club.

Respectfully,

Matthew Mulherin
