PAR for the course

by Gideon Smith, Head Golf Professional

April is upon us and that means golf season officially starts for many of us—The Masters, Spring Golf Clinics, PGA Junior League practices, Men’s Golf Association Event #1, and Demo Days.

The Masters—start looking at your email the week before the Masters to participate in a Major Pro Shop Event. The instructions will be emailed to you and your Major picks will have to be in by Wednesday at 5 p.m. Central Daylight Time. If you do not see an email, then contact the Pro Shop. It is a fun contest—you pick 3 players from 3 different categories—it will keep you glued to the TV even more.

Spring Golf Clinics begin for women, men, and families. Women’s clinics will be held on Tuesdays, Wednesdays and Fridays. Tuesday clinics will be short game clinics, Wednesday evening clinics will be for beginners/intermediates (Lucky 7 group) and Friday’s will be on-course simulation clinics. A men’s clinic will be held on April 14th and a family clinic on the 29th. Times are listed below.

We also have Spring Junior Golf Camps set up on April 7th & 21st. If you haven’t signed up for PGA Junior League then please do so. If you are wanting to find out more information, contact the Pro Shop. PGAJLG is

Participating in Golf Clinics and a Gold Lesson Series is very important for the kickoff of your season. We all want to perform better by changing a few things to get better. Dear Members,

I am sending you this important message to encourage you, the members of Quincy Country Club, to become a part of our membership program. Studies have shown that the best way to reach prospects in the area is through the club's current membership. This allows you to personally explain what Quincy Country Club has to offer within all membership classes.

Below you will find our 2018 Membership Incentive Program that rewards you for your time and dedication to membership promotion. This program strengthens our membership levels by encouraging you to share your club experiences with a prospect you feel is a good fit for Quincy Country Club.

So many members have told me that they wished they would have joined sooner. I honestly feel that if we all share the experiences we have at the club with just a few around us, we will give them the opportunity to experience the same for themselves.

The Quincy Country Club is the finest club within 100 miles. We just need to make sure all prospective members know this.

Feel free to call or email me with any questions or to request your membership application for your prospect and our next member of Quincy Country Club.
