From the Manager

Dear Members,
It is that time of year where family and friends are gathered together spending time just being in each other's presence. This time of year always sparks that calling to give a little more, serve a little stronger and

to sacrifice a little longer. This Christmas season will be full of great events at your club starting off with our Pro Shop Open House scheduled on December 6th and your chance to putt for prizes and a start (or finish) to your Christmas shopping. Gideon and his staff will be waiting to see you all to wish you a Merry Christmas. Later that night stop by the clubhouse for a great wine experience with Breakthru Beverage starting at 6:00 pm. Santa will be in town just for you on Sunday December 16th for his own Santa Brunch so plan on getting those lists ready or hand them into Amy so she can mail for you! Our Family Christmas Seafood Buffet is scheduled for Saturday December 22nd for all our holiday seafood lovers.

The club will close for Christmas Eve and Day for

our staff to enjoy their family traditions. And finally our year end Dine and Dash New Year's Eve Event and Kids Clubhouse on Monday December 31st will allow you a great sit down dinner and still time to hit a few events in town (or back home to watch the Ball drop) Either way, we would love to have you all out to the club to allow us to wish you all a very Happy and Blessed New Year!

Make sure you stop out for our live performances each week and enjoy the Christmas season with a live celebration of the best holiday ever!

Thank you all for a wonderful 2018 and look forward to an even better 2019!!

See you all at the club soon

Respectfully,

Matthew Mulherin, Manager

From Me to YOU!

I want to take this opportunity to wish you all a very happy and joyous Christmas! What a day to celebrate after the gift that we have received! I am thankful for all that Christ has given me and my family and we truly feel blessed to be in the light of Jesus whom loved us beyond our own imagination! I am also blessed to be able to serve such an incredible membership here at QCC. You all have shown so much support over the years and can't tell you enough how grateful we are to serve Quincy Country Club.

Each day I reflect on the incredible experiences we have had since arriving in Quincy nearly 15 years ago. My wife and I started our Quincy adventure with two daughters, 1 now a junior and the other a freshman in College and twin boys who have brought a Dad such great joy. I wonder sometimes as to why I have been this blessed and realized that I can only direct that credit upward.

The bible says that God so loved the world that he gave his only son that we may have eternal life. (John 3:16) What a Christmas Gift!! Better than any gift that can be produced, purchased or even received from closest family! He also says that whatever you do to the least of these, you have done unto to me (Matthew 25:40) this is our chance to show the love that has been freely given to us to those in our path not only during this time but from this day forward. I hope you all travel safely, love one another and realize what blessings we have. So, from my family to yours and from me to you,

God Bless to you and yours always!!

Isaiah 9:6

For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace.

PAR for the course

by Gideon Smith, Head Golf Professional

It sure does feel like an early winter this year with snow coming a few times this November. As we approach the Holiday Shopping

Season we have some great products that we believe will help your game in the future. Our #1 hard goods brand in the Pro Shop is Ping and we believe in this company. They always produce great equipment but more than anything they produce equipment that out performs models they have put out in the past. So allow us to help you lower your scores and checkout what Ping has coming out to help your golf game. Titleist has come up with a new line of woods called the TS family. I am a firm believer in the Titleist company. From hunting for golf balls and cherishing the find of a Titleist ball while my dad and his buddies were playing, to playing the ball all throughout junior golf, college golf and now professionally. There is not one ball sales representative that comes in and compares their newest golf ball to a ProV1 or ProV1x. Now Titleist has stepped up and produced a new ball called AVX and I firmly believe that this ball helped me win the "Player of the Year" honors in the Gateway PGA this year. I found the ball to be the most consistent on all blends of grass. Going from beautiful bent grass like ours, Zoysia in St. Louis to Bermuda grass I found the ball reacts the same on full shots from the fairway and the pitch shots

into the green.

Adam, Jon and I have brought in the best outerwear pieces we believe for our membership. Sun Ice, Footjoy and Sun Mountain have stepped up their products and made great looking, good performing and fashionable pieces. We have both products for women and men and I know they will look great and be well received when opening during Christmas.

Lastly, don't wait for spring to get better. The Club brought in a piece of equipment that will help your golf game in 2019 and beyond. It works for adults and juniors. The K-vest I promise will bring out results in your golf game when spring and early summer come around. Schedule your appointment today and don't wait to get better. Work on your game 30-60 minutes a week. Yep, 1 hour a week is all you need to help improve your game and it can be done at the Club. We will be in the Pro Shop throughout the shutdown period but out of the Shop for the PGA Merchandise Show towards the end of the month of January.

If Tim feels the weather allows us to open the course, we will be here to allow carts out.

Have a great Holiday season, thank you for a memorable year and we are looking forward to the 2019 golf season.

Gideon, Adam and Jon
