6:00 "Summer Wines, Oysters—and Hot Dogs?"

"As I ate the oysters with their strong taste of the sea and their faint metallic taste that the cold white wine washed away, leaving only the sea taste and the succulent texture, and as I drank their cold liquid from each shell and washed it down with the crisp taste of the wine, I lost the empty feeling and began to be happy and to make plans."

Ernest Hemingway, 'A Moveable Feast'

The Club's Wine Committee with the support of Chef Janet and her assistant chefs hope to bring the experience Hemingway described to the club on Friday evening, June 14th. The Club has great wines that pair well with oysters. In addition, we will be highlighting great poolside wines that are light and refreshing for the summer months. The oysters will be sourced from a well-known purveyor on the West Coast and flown in to arrive less than 48 hours from the time they were plucked from the ocean. For those of you who might be skeptical of the oyster, we will have other options and hot dogs for the kids.

PAR for the course

by Gideon Smith, Head Golf Professional

Welcome back to all of our members who are came back from warm Sunny Florida in the month of May. Unfortunately you have come back to the weather we have been enduring

for the past 3 months. Cool and rainy weather have not been our friend for rounds of golf played at the Club. It was great for the irrigation installers who were able to get our project done at least 40 days early. Thank you members for being patient and understanding during the process.

Congratulations to our Opening Day winners. Our Women's Opening Day event was very unique and fun with teams taking strokes off with bag toss and golf pong. Our Men's Opening Day winning team was Dennis Boudreau and Eric Fynn-Thompson.

Ryan Schuenke had a great showing in the District Mid-Am where he went to defend his Individual Title. He placed 4th with a score of 1 over par. Our District Challenge Team placed 4th on a typical 2019 May day (rain and cold) led by Tim Salazar coming in 3rd in the Superintendent's event. Jim Hansen, Mike Ernst and I chipped in to keep us in the hunt.

We have a very large PGA Junior League team this year and our kids have been practicing on Friday

evenings. Our home match dates are listed below. The front 9 will be reserved for these matches in June and July. I encourage our members to come out and watch our juniors compete. The reactions, sportsmanship and interactions with the other kids is priceless.

June is action packed for things going on at the Club. We have the Member Appreciation Day on June 14th (Members can bring 3 guests and we are waiving the guest fee). The men's Member-Member is being played on June 21st & 22nd and the USGA Junior Amateur Qualifier will be played at the Club on June 25th. The Women's Rally for a Cure scramble will be played on June 19th at 5:30 p.m. Junior Golf begins on June 11th due to the crummy weather this winter and kids getting out of school late this year.

June is going to be a great and busy month of golf and we are looking forward to seeing all of you at the Club.
