## PAR for the course

by Gideon Smith, Head Golf Professional

Spring is right around the corner and we are ready for golf. What better way to get ready for the spring season than by getting your golf game in shape. Let's start spring with a series of golf lessons that will help you throughout the golf season. Consult your PGA Professional staff and we will help you get started on the right path.

Spring is a popular time for your junior golfer to get ready for the upcoming season and learn the basics. There is no reason to wait till summer to start summer golf lessons. PGA Junior League sign ups are open and juniors ages 7-13 are eligible. Please contact the Pro Shop if you are interested in Junior League for your

junior or grandchild.

What's new for equipment this spring? After an active golf season's shots, your wedges start to lose their ability to spin the golf ball. Without new wedges and grooves, you are leaving shots out on the course. We look forward to giving you a wedge fitting this spring or early summer to help you lower your golf scores. Wedges aren't the only thing in the golf bag. Get fit with irons, woods, fairways, hybrids and putters by your Professional staff.

The St. Patrick's Day event is being held on March 14th. The event will be a 2-person scramble with a 12 pm shotgun start. Contact the Pro Shop to sign up.

We are looking forward to a great March and we look forward to seeing you on the course.

Gideon

**Emily Van Rie**

We would like to introduce you to the newest member of the QCC Team. Meet Emily, the new Assistant Golf Professional. Emily is from Kirksville, Missouri, and will be graduating from Quincy University in May 2020 with a Masters Degree in Business Administration. She is currently the Captain of the Quincy University Women's Golf Team and this spring will be her final season competing before starting full time here at the club. Emily possesses one of the best short games I have seen and will be a great asset to Quincy Country Club. We're excited to have her join our team!
