## From the Manager:

Welcome back!! We certainly missed you all during the shutdown and hope you all missed your club as well! This year will be epic! We are currently booking many private events throughout the year and many events for you all to enjoy are fast approaching! I want you all to know that we take your health and safety seriously so we will continue to request reservations in all of our dining outlets to ensure that the staff and

membership stays healthy until we can finally put COVID behind us!

My front and back of the house Team will be working hard to plan 2021 while offering quality service staff to ensure your enjoyment while at your club.

We offer an incredible service for To Go items here at the club and will be working extremely hard in maximizing the accuracy of these orders to provide you with a QCC experience in your own home. When you call, you will be given an estimated time for pick up based on our current in-house reservations. This will give us a little flexibility to service our in-house members while still providing you with a great at home QCC dining experience. Pick up is convenient as well from our reserved Carryout parking space by the bag drop area.

This year I will also continue to focus on the hiring, training, and retention of seasoned and qualified staff that will be hand-picked, even from local restaurants that fit our model here at QCC. I desire to be the best place to work in Quincy and will work hard to make sure that happens. Happy staff equals Happy Members and our desire is to continue to do just that.

These are just a few of the many areas that my incredible team will be working on this year and will keep you all updated on new and exciting things to come in 2021, our 123<sup>rd</sup> year of QCC. Very proud to be a part of this great club and thank you all for allowing me to serve you!

See you all at the club soon  
Be safe and God Bless!  
Respectfully,

## From the Pro Shop

We have received our first good layer of snow on the ground and I know that Tim is happy to have it on the course. Adding a little moisture is always good for the upcoming season. February always feels like the coldest month. The good thing about February is that some new products start to show up. The new Ping G425 line-up of woods and irons are going to be a

large portion of our fitting for the season. Also new for the 2021 season will be the TaylorMade Sim2 lineup of woods and irons. Our demo products will be here in the next couple of weeks and we will be ready to help your game off the tee and into the greens.

A few items that you can expect leading into the 2021 season.

- We would love to see the 2020 trend of member and guest play up at the Club head into the 2021 season.
  - We all loved reporting rounds up and member usage up on the course. Yes, great weather late into the season obviously helps but having new players out was also a huge part of that.
- We want your experience at the Club to be positive each time you set foot onto the property.
  - If you are experiencing positive things at the Club, it makes it really easy for you to sell the Club to your friends who may be perspective members or to bring out guest's.
- You will see a few more teaching/learning programs geared towards our social golfers. You are very important to us and we want you to have an amazing experience and enjoy yourself on the course.
- Last, we love helping you get better at golf. Please do not hesitate to call or contact us to set up lessons, fittings or ask any questions you may have about upcoming products.

Something to look out for. The QCC app for your phone is rolling out soon and you will be able to sign up for certain golf events on it. The first event that you will be able to sign up for on the app will be the St. Patrick's Day event. Yes, we will be working out a few bugs and making it better so that by the time May is here we are in good shape.

Have a great month of February and have a Happy Valentine's Day.

Gideon
