From the Manager

Dear Members,

May is here and the sun is shining! Green has come back to QCC and its now time to get serious about your plans this summer. If you remember, last year we were in the midst of an unknown pandemic—2021 will be different! We are moving forward in a safe manner to allow you all to enjoy the club, feel confident that our campus is safe and that your presence at QCC is what we will be focused on.

So, with that said, we begin May with our Women's and Men's Opening Days scheduled on May 5th & 6th. The start of the season will never be better!

The first Thursday of the month brings our Live Pasta night on May 6th and then we celebrate Moms of the club by honoring them with a fantastic Mother's Day Brunch on Sunday May 9th. You will notice around that time that the pool will start to be filled and the pool season gearing up for a fantastic 2021, fun in the sun! Men's Golf league begins on Tuesday May 11th and our Member Appreciation day will honor you on Friday May 14th.

Just getting started!

WOW golf (Women on Wednesday) event is schedule for May 19th and Couples Golf event on Friday, May 21st. The 2021 Pool season begins on Saturday May 22nd and it's time to be back to normal here at QCC, so we plan to do just that! Our Junior Program Registration day will also be on Saturday, May 22nd from 10:00 am to 12:00 noon at the Pro shop or Plaza. Poolside Movie night is scheduled for Friday, May 28th at QCC and The Gems team up for an across town QCC presence to support the return of the Quincy Gems. I have reserved the Dew Deck for the first 25 to register. \$30.00 pp gets you game tickets, buffet, and drink tickets along with a great game and time with fellow members.

We finish the month of May with our Memorial Day Celebration starting on Sunday, May 30th with our Holiday Scramble and Monday, May 31st with our Holiday Cookout and Pool Day.

Great times in May and only the beginning to a successful 2021.

So long 2020!! Nice knowing ya!

Be Safe and God Bless!

Respectfully,

Matthew Mulherin, Manager

PAR for the course

by Gideon Smith, Head Golf Professional

Dear Members,

May is here and the opportunity to play golf in the Midwest seems to get a little more reliable. A few thunderstorms here and there but generally the temps start to be more consistent and the weather is a little more predictable. Everything starts in the month of May besides Junior Golf which starts in June. Our Men's and Women's Opening Days will be held on May 5th for Women and 6th for Men. Details are listed below in how to sign up and participate. As some have experienced in their businesses, special order equipment is hard to get in a timely fashion. We are still fitting and getting the best possible gear in your hands so you can play your best, but it is taking up to 4-6 weeks to get items. We appreciate your patience. We also stocked heavy in golf bags this year. Special order bags are 12-16 weeks out so we went heavy in bags. Golf bags make a great Father's Day gift—make your choice early. Yeah, we are talking about Father's Day and being prepared. We also have a great selection of Walking golf bags. Time to burn off some of those Covid pounds we picked up during the pandemic. Men's and Women's fashions are coming in weekly and we are here to help you re-tool your closet and look your best on the course.

Hot item for the month: Putters. We are making May putter month. Stop by the Pro Shop and have your PGA Professional staff fit you with a new putter. Need help with putting, call to set up a quick 20-minute putting lesson. 20 minutes for \$20 saves you possibly more than \$20 in your bets. Your PGA Professional staff will offer each member a 1 time 20-minute putting lesson in May for \$20. That is the hot item of the month. Our goal is to give 60 putting lessons in May. Help us meet this goal!

Member Appreciation Day is BACK! After a 1-year break because of Covid-19, it is back. What is Member Appreciation Day you ask? It is a great way for you the member to entertain clients, your friends, co-workers or family members. We appreciate you being a member and we want to show our gratitude. On May 14th you can bring up to 3 guests to play golf and have lunch at the Club. We are waiving the guest fees for your guest. The cost for the foursome is \$205.

What do you get?

- Lunch buffet for 4
- 18 holes with carts
- Guests receive a tee gift
- Enjoyment of playing our beautiful course

Agenda for the day:

- You can tee off in the morning or afternoon
- Lunch is served from 11 a.m. – 1 p.m.
- You can tee off, stop for lunch and continue on, play in the morning and have lunch by 1 p.m. after golf or you can eat first and then play golf.
- You must sign your foursome up in the Pro Shop prior to May 13th. Please no walk-ons.
- No fivesomes.

Have a great month of May and we will see you at the Club.

Gideon
