From the Manager

Dear Members,

June is the month where the kids are out of school and summer is a reality here at QCC. From golf, to aquatics, tennis to swim team and Kids Camp to Entertainment events, we have a great deal of things to do for all ages!

Plan your month by adding all of these to your social calendar today!

Kid's camp begins on June 2nd, Junior Tennis on June 7th, Junior Golf and Summer Bridge on June 8th and Cardio Co-Ed Tennis begins on June 10th. A great way to start of June and QCC!

Kids get ready for our 1st QCC Lock-in of the season on June 11th, bring a Guest Free to the Pool Day on June 13th and our Poolside Movie night scheduled for June 18th .

Plenty more events to remember besides these such as Golf events and Swim Team practices and meets. Details inside this newsletter.

While June is here, July is coming! Check out the July 3rd/4th preview and plan to be here at your club for a great night out and a front row seat to the best show in town!

Thank you all for your support of QCC and hope to see you all on campus soon!

Be Safe and God Bless!

Respectfully,

Matthew Mulherin, Manager

PAR for the course

by Gideon Smith, Head Golf Professional

Dear Members,

May has come and gone and it brought cool temps, wind and rain. We of course sprinkled on some nice days but for the most part it was cool, windy and damp. Tim and his team have done a wonderful job on the course. You are seeing new drainage going in, fixing of blemishes with sod in the rough and some really thick rough. Yes, the rough is thick but lots of rain will do that.

June brings junior sports at the Club. Junior Golf begins the week of June 7th. We are always excited for junior golf and we should have a large group this year. Some good things came from Covid-19 last year with junior golf and we have incorporated this into this year. We will have junior golf on 2 different days during the week. The 3-5 and 5-8 year old juniors will be on Tuesday's and the 9-12 and TEEN golfers will be on Friday mornings.

New fashions continue to come into the Pro Shop. Fittings for clubs were a little down only because of weather but June we look forward to fitting our members for that extra distance off the tee or irons to hit it closer. Who could forget wedges that will help stop the ball next to the hole and yes, we also need a device to putt the ball into the hole. See or call your PGA Professional staff to set up a fitting today.

How about Phil Mickelson winning the PGA. That was great to see. A little birdie has informed me that one of the clubs he used was not a Callaway and that it is called a "mini driver." You will see a few of these fairway finders in the Pro Shop soon.

We have a few big events coming up at the Club. They are listed below.

June 10th & 12th – Member – Member Tournament

June 16th – Women's Member – Guest

June 18th – Couples' Twilight Event

June 23rd – TaylorMade Fitting Day

June 25th – 1-day Member – Guest "The Forty Acre"

June 30th – Women's WOW Event

Have a great start to the summer and we will see you at the Club.
