From the Manager

That time of year where family and friends are together again, spending time just being in each other's presence. Christmas has always been a personal favorite, not only for the gifts but more importantly time with family and friends. This time of year always sparks that calling to give a little more, serve a little longer, and to sacrifice a little deeper.

We start off with our **Pro Shop Open House** event scheduled on **Thursday, December 2nd** and your chance for prizes and a start (or finish) to your Christmas shopping list. Gideon and his staff will be waiting to see you and personally wish you a very Merry Christmas.

Our extremely popular **Christmas Seafood Buffet** is back this year and sure to be one to attend. Call us today to reserve your table for seafood, QCC style, on **Saturday, December 11th**. Reservations required. 217 223-3452.

Santa will be in town just for you on Sunday, December 19th. Santa has carved us into his busy schedule to visit all the QCC kids. We will have a special Character Artist here to sketch you and your family, also Balloons and Face Painting. The club will be closed on December 24th and 25th so your staff can enjoy their family traditions.

And finally, our year end **"Dine and Dash," New Year's Eve Dinner** and **Kids Clubhouse** is scheduled for **Friday, December 31st**. Reservations are required, so plan ahead and call us today!!

The QCC staff and I wish all of you a very Merry Christmas and Happy New Year!

Make sure to stop out for our live music performances—enjoy the Christmas season with a live celebration of the *best holiday ever!*

The club will be closed from January 1st through January 17th, and will reopen on Tuesday, January 18th, 2022. Our Annual Shareholders Meeting will take place in the Ballroom the night of January 18th. Complimentary appetizers will be served at 6:30 p.m. and the meeting will start at 7:00 p.m.

See you all at the club soon. Be Safe and God Bless!

Quincy Country Club

"Home of the QU Hawks Golf Teams"

From Me to YOU!

I want to take this opportunity to wish you all an incredibly happy and joyous Christmas! What a day to celebrate after the gift that we have received!

The year 2021 presented its challenges, but I am thankful for all that Christ has given me and my family and I truly feel blessed to be in the light of Jesus who loved us beyond our own imagination! I am also blessed to be able to serve such an incredible membership here at QCC. You all have shown so much support over the years and I cannot tell you enough how grateful we are to serve Quincy Country Club.

Each day I reflect on the incredible experiences we have had since arriving in Quincy so many years ago. My wife and I are blessed to have our daughter Sydnee and her husband Thomas, and second daughter Schay and her husband Andrew as a part of our family. Our twin boys, Samuel and Sawyer make us proud each day and are such a joy to be around! They both have incredible talent on the court with basketball and on the field with football. I have been personally blessed to have a wife who supports and cares for me and can only direct that credit upward.

The bible says that God so loved the world that he gave his only son that we may have eternal life. (John 3:16) What a Christmas Gift!! Better than any gift that can be produced, purchased, or even received from closest family! He also says that whatever you do to the least of these, you have done unto to me (Matthew 25:40) This is our chance to show the love that has been freely given to us to those in our path not only during this time but from this day forward.

I hope you all travel safely, love one another, and realize what blessings we have. So, from my family to yours and from me to you,

Isaiah 9:6 For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father Prince of Peace.

God Bless to you and yours always!!

The Mulherins,

Matthew, Bridgette, Sydnee & Thomas, Schay & Andrew, Sammy & Sawyer

PAR for the course

by Gideon Smith, Head Golf Professional

Another busy month at the Club. November had some really nice days for golfing and we thank our members for taking advantage of those days. As we move into December, we want to remind you that the Pro Shop Christmas Sale is on December 2nd from 3-7 p.m. We will be popping balloons for your discount this year. As much fun as the dart board was last year, we still have a few holes we have to patch up in the walls from those that missed the board. If you are looking to purchase golf balls as stocking stuffers, make sure to stop by sooner than later. Pro Shops have been put on allocations and who knows when the next batch will come in. There are plenty of golf balls, gloves, and merchandise in the Pro Shop, but we just want to make sure that you are aware of possible shortages. We have a full inventory in the Pro Shop and we are ready to wrap your gifts as you pick them out.

We are excited to announce that we will be having members sign-up in 2022 on the website for golf events. We will also have live scoring for most events that require scoring. The Pro Shop team is learning how to set everything up and transferring the information. There will be information available to the members, questions asked, and help given in how to sign up for events. The calendar will be on the public side of the website along with being on the member side. More information will be coming out as we get closer to spring.

If you own a personal cart and you are driving back and forth to the Club early in the morning or late in the evening, please check to see if it will be frosty out. When there is frost on the course and your cart drives across the frost, the cart will leave tracks in the grass and hurt the grass.

It is winter golf season, so there is only 1 set of tees out. Please play from the winter tees that Tim and his staff have provided. This helps keep the course from getting beat up and provides a better recovery period in the spring.

We will roughly do 14,000 starts this year, which is well above average for the Club. Thank you to our members for playing and the staff who have done a great job managing a busy golf year. As golf continues to grow, we hope that you recommend the Club to your friends. The 2022 season will be busier and we will continue to have many programs for all members to participate in. The calendar for the 2022 season is almost set. I will email out the calendar and will also give it to Matthew to email out in the weekly QCC emails. As you saw above, it will also be on the Website. You should also have access to the calendar from the App. Most events have remained the same and we have added a few new events. If you are a new member and you are looking to get involved in golf, please do not hesitate to contact the Pro Shop. The Pro Shop team will help you find a game, explain golf events, and help you improve your golf game.

Have a **Merry Christmas**, Happy New Year and keep it in the short grass!

Gideon
