From the Manager

Welcome back!! We certainly missed all of you during the shutdown and hope you missed your club as well! The club is set and ready for another season of great times at QCC. My front and back of the house teams will be working hard to plan 2023 while offering quality service, cuisine, and staff to ensure your complete enjoyment while at your club.

This year I will continue to focus on the hiring, training and retention of seasoned and qualified staff that will be hand-picked, even from local restaurants, that fit our model here at QCC. I desire to be the best place to work in Quincy and will work hard to make sure that happens. Happy Staff equals Happy Members, and our desire is to continue to do just that.

New menus, availability, reservation focus, and proper staffing based on reservations will be a big topic this year. I hope that you will be patient with us as we implement new guidelines and policies to ensure that your experience is above expectations. Your help and assistance with this will be critical to its success.

The club is ready for your private events, fundraisers and sponsored engagements that take QCC to the next level of service. We are ready for your call to book your private space today!! See space and reception details on page 4. Our reception menus can be accessed through our Club Website.

These are only a few of the areas that my team and I will be working on this year. I will keep all of you updated on new and exciting things to come in 2023.

My staff and I are proud to be a part of this great club—thank you for allowing us to serve you!

Respectfully,

Matthew Mulherin, Manager

PAR for the course

by Gideon Smith, Head Golf Professional

We are heading into the coldest month of the year but with a warmer January at least we have experienced less winter than normal. We don't have a lot scheduled for February, but we do have a busy season upcoming. You will see that the golf schedule has been posted to the Club Website. We are also celebrating our 125th Anniversary on June 17th with a golf event. It will be a fun weekend with lots of festivities for the family.

Reserve the date: Friday February 24th we will be having the Indoor Putt-Putt Event at the Club. Start time will be 6:30 p.m. with appetizers before putting.

As the weather breaks and we are able to start getting out onto the course, we hope that you think about experiencing your round with a caddie. You can ask for a forecaddie or a caddie to carry your clubs. It is a fun experience—the best way to reserve a caddie is to talk with Jim Titus who serves as our caddie master for the Club.

We have some new clubs to fit members with for the 2023 season. A lot of our fitting clubs are in the Pro Shop already and we are able to do indoor fittings. TaylorMade has the Stealth2 driver “Fargiveness” and iron family and Ping has the new G430 family. Mizuno has new JPX irons that we can fit you into as well. It is time to start thinking about golf season and if you need some new weapons in the bag before that winter golf trip.

On the learning side, you will see new Player Development programs rolled out starting in the spring. We want to help you learn to play golf and we will be utilizing the course more for our lessons with adults and juniors. You will see more information in the March newsletter. We still offer junior lessons above the Pro Shop or you can inquire about our winter junior camps that we do at Quincy University in the month of February.

Have a great winter, start stretching, utilize QU fitness center and let's go make some birdies & pars.

Gideon

**Quincy Country Club
The Best Venue in Town—Guaranteed!
Private Reception Information**

As a Member of QCC, you have the ideal location, services, and professional staff to host your private reception! No matter how small or large, detailed, or simplistic, the QCC staff will be here for you to create a successful reception at extremely competitive pricing!

Most facilities in town offer services similar to ours, however, what they do not offer is: Free room rental bookings for member events and only a \$5.00 pp charge for member sponsored events, complete coordination of the event, linen choices and the use of our vases, mirrors, votives and large centerpieces for food table and wireless internet access in our meeting rooms....complimentary! We offer a wide variety of background music and the coordination of private bands, quartets, flowers, and centerpieces as well as harpists and pianists!! Carvers and cake cutters at no extra charge like other facilities and the best food selections in town! We will even duplicate Grandma’s favorite recipe just for you!!

Most facilities will up charge for these special requests that we feel you all deserve as part of the “above and beyond services” that we strive to provide! The average rental around town is \$500 – \$2000.

From the second you enter; the club and its history are apparent with original architecture and design! From that point on my staff and I will work diligently to ensure that your guests receive preferential treatment!!

All of this and much more because you are a member of Quincy Country Club! Why go elsewhere and pay the same and receive less! Support of your club also has benefits such as increased revenue which result in lower fees!

I guarantee a magnificent event no matter what the event may be! My staff and I are excited to be a part of your special day!!
