P A R for the course

The month of July was full of Championships. Our Women's Club Champion won her 3rd straight championship. Congratulations Saya Geisendorfer for her win and good luck as she heads off to college and plays for Grinnell College. Our net champions for the ladies was Kjersti Cory. Our Senior Ladies Club Champion this year was Vicki Hayden. First year eligible and first win. Congrats on a great round of golf. As I write this letter we still have Championships to be played and those winners will be recognized in our next newsletter. What else do we have coming up? In the month of August we have the Women's Pro - 3 Member on August 9th. We have Couples Twilight Golf "Cross Country" on August 18th at 5:30 PM. You can sign up your sixsome in the Pro Shop. On August 14th and August 25th the course will be CLOSED for Outside golf events. Then the month of September we have the Men's Member - Guest Invitational on September 14th - 16th.

So what is new in the equipment world? Titleist has new irons being released and we are able to start fitting for them. They have a club for all types of players. Contact the Pro Shop if you are interested in getting fit for new irons. What else will you see? New merchandise is starting to filter in and in the month of August you will start to see Fall fashions. We know it is hot but fall will be here and we want you to be prepared.

Fall Junior League will start in mid-August and you can contact the Pro Shop to sign up your 7-13 year old junior. It will be an "In House League" so we will be playing matches amongst ourselves and come up with some unique ideas and formats for the kids to learn with. Let's make golf our thing!

Have a great month of August and we look forward to seeing you at the Club.

CLUB EXPERIENCE

AUGUST MEMBERS OF THE MONTH

Please help us congratulate sisters Olivia and Amelia Scholz on a great swim season with the QCC Stingrays!

Here's what they have to say-

One of Olivia's favorite memories is when they did the parent vs children swim meet! She said all the fun and funny races they got to do were so fun- like trying to keep a clipboard dry and getting to swim but keeping your feet out in front of you. Her favorite stroke is freestyle. One thing she felt she improved on was her underwater skills. Next season she is looking forward to improving even more on her strokes. She loves how encouraging and supportive the coaching staff is at QCC.

One of Amelia's favorite memories is when Grant, the swim coach, would always throw her in the pool. Her favorite stroke is breaststroke and is what she felt she improved on most this season. Next season she is looking forward to seeing the coaching staff. She loves how kind the staff is and how they help them out if they make a mistake.

Olivia and Amelia thank all the coaching staff for such a great year. They will see you next season!
