## P A R for the course

September has been a beautiful month for golf. Congratulations go out to the team of Kyle & Kevin Korb for winning the Member-Guest Invitational. They were able to beat the team of Pangi & McClain on the last playoff hole to become the member-guest champions. As fall approaches and cooler temps arrive make sure that your golf wardrobe is ready. Fall layering pieces are in. Pickle Ballers are still in action and a lightweight hoodie or pullover can help as you start the match or end the match. We are not quite as busy on the course with regular member play but we still have some events to play in for the month of October. The Emery Cup matches are fast approaching on October 7th and 8th. We also have Couples Night Golf on October 21st and Men's & Women's Closing Days on October 4th and 12th. We have the Sugar Cookie Outing on October 20th and the course will be Closed for member play we host the Old Man River event on October 15th. The shotgun starts at 10 AM but we will work member play in. You will also see work being done on the course. You will be seeing some tree work, green work on 6 of our greens in late October, and top dressing of the fairways. The re-plant test areas are really coming in nicely and they have been mowed 2 times already. There are a lot of exciting things going on at the Club and we look forward to seeing everyone out enjoying the great fall temps on our beautiful course.

## OCTOBER

### MEMBERS OF THE MONTH

We are the Russel Family- Chris, Jamie, Isabel, Hannah, and Jameson.

The Russel's have been members of QCC for 3 years! About 6 months month ago they switched from being social members to regular members to utilize the Golf course. As a family, they have been able to participate in different golf events. Their children are involved in the junior PGA program and take lessons. As a couple, The Russel's have attended a few golfing events. Mr. Russel joined the Tuesday night league expressing that it has been a great way to meet members and make friends.

The Russel children have so much love for the club! Each one of them shared their favorite experience at the club! Hannah's most favorite event was the family golf event where she made a hole-in-one on hole 9! Way to go, Hannah! Hannah says it's fun to meet up with friends and hang out at the pool or get a snack at the cabana. Summer coming to an end has given Isabel something to look forward to! She is really excited for the pool to reopen- she's already counting down the days! Isabel likes the fact that they can swim independently without their parents! Jameson's favorite memory is when they came to the club for his birthday, and he did a back flop off the diving board. He said It really hurt!

As a Family, some of their favorite events are the summer holiday events. A family favorite memory is when Mr. Russel and Isabel were doing the egg toss, the egg splattered all over Isabel because she missed the catch. The Russell's favorite things to do at the club are to eat dinner at the Plaza, and share desserts! It's usually a Russell Family race to see who can get the most in at once! The Russel's rave about the food being delicious, but Isabel says the bread is the best! The Buttery inside is SO good!

Mr. Russel says for people considering joining the club it's a great way to meet people, since moving to town 3 years ago, they have met so many people, just a couple days ago they were having dinner at the plaza, when they realized they knew every person sitting around!

To hear their whole interview be sure to check it out on Instagram or Facebook!
