Quincy Country Club is a hidden gem in the Midwest. The golf shop can meet your every need.

It carries complete lines of your top clothing such as Tehama, EP Pro, Titleist, Tail, Jamie Sadock, Ecco, Ping, Callaway and FootJoy. The staff is more than willing to help with any of your golfing needs. Those needs may range from private and group golf

instructions, custom club fitting, special orders or just sitting down and talking about golf. Quincy's golf calendar includes events like Member-Guest, stags, couples, events, holiday tournaments, junior golf program, senior events and family golf days.

Quincy Country Club must be considered when looking for a private country club in the Midwest. Most important is the fee schedule, look no further than Quincy Country Club.

# Tennis

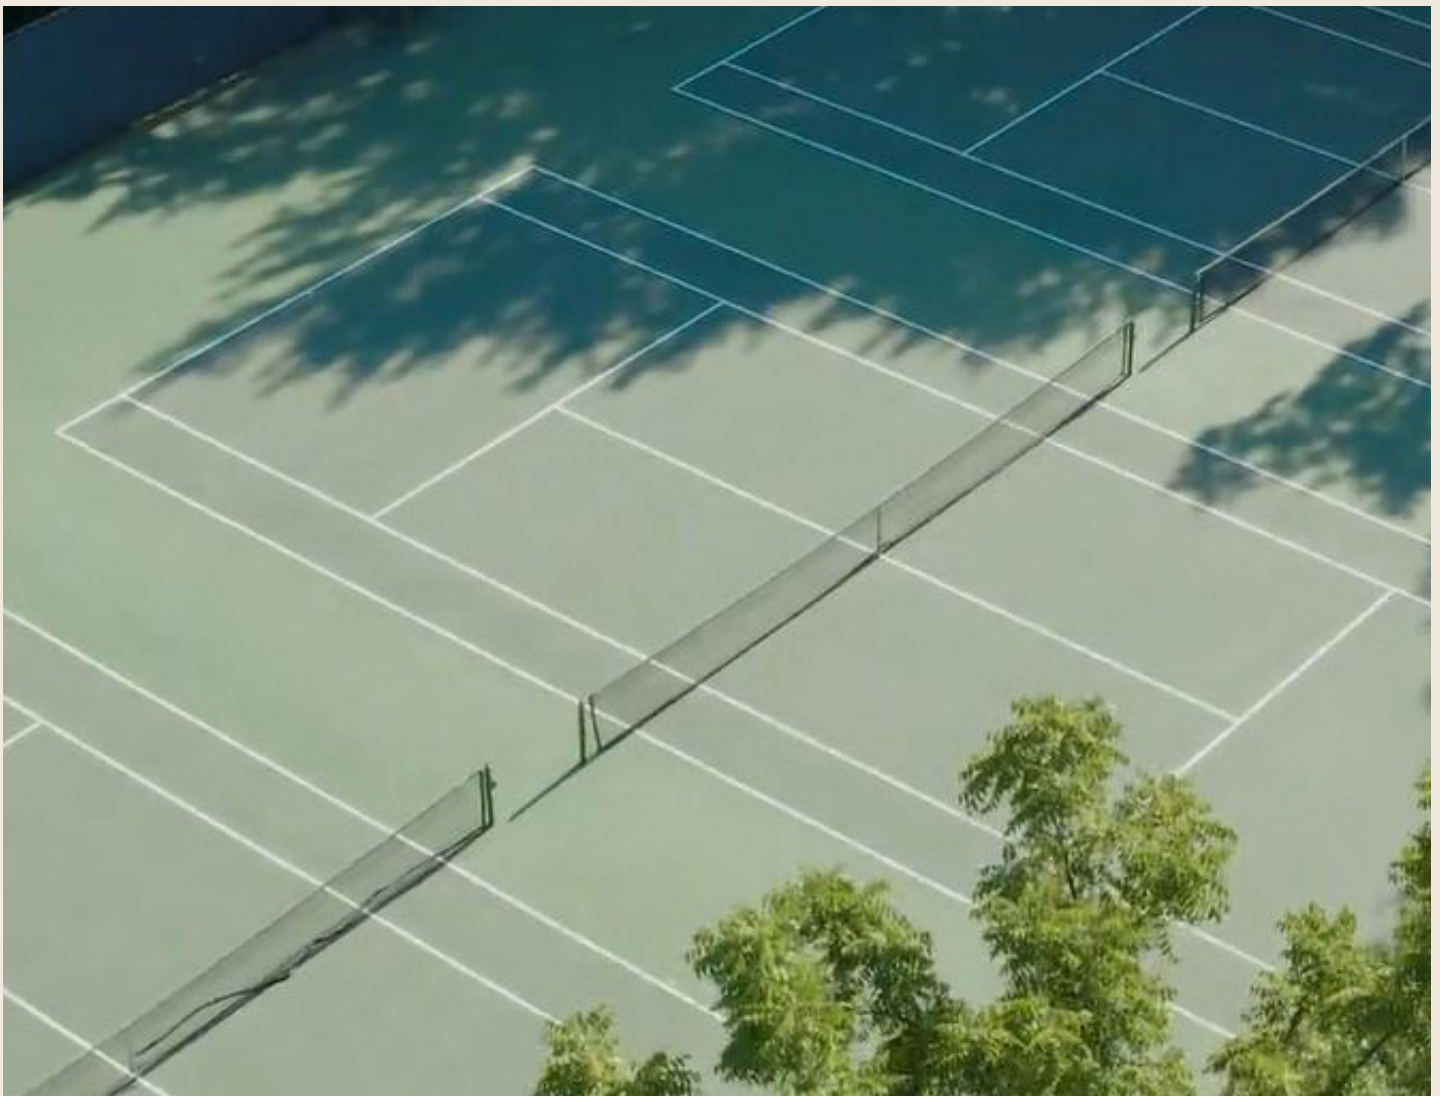

---

The Quincy Country Club tennis and pickleball programs are designed for players of all ages and levels. For juniors, we feature a complete instructional program for youngsters ages 3 to 18, to both introduce the game to preschool players as well as to develop the games of high school players.

For adults we have a ladies doubles clinic and competition as well as a beginning ladies clinic.

For men we organize and run a round robin club championship tournament as well as several social mixed doubles round robins.

Our program is run by USPTA professional Mike Terry with the help of USPTA and USPTR professional Monica Hinkamper along with the top junior college players in the area.

# Aquatics

Welcome to the clear, blue waters of the Quincy Country Club swimming pool. The swimming pool is surrounded by beautiful landscaped grass areas for relaxing in the sun or for the leisurely meal or snack from the cabana. You may also enjoy your snack or meal on the pool deck with a full service wait staff to serve you.

The swimming pool is a unique design to suit all swimming needs. There is a zero-depth entry, perfect for little ones and those who enjoy a beach-like entry. A jet pool is nice to relax in with hot tub-like jets massaging your back while you relax on a submerged bench. The pool also has a 4-lane 25-yard lap pool that descends into a diving well with a springboard. The pool is consistently heated to a comfortable 80 degrees and offers fun for the entire family.

The Quincy Country Club has a variety of aquatic programs available throughout the summer. The

lifeguards are available for individual swim lessons for members and their families. QCC is involved with the River Country Swim League and competes throughout the summer. The swim team practices Monday through Friday, June through July. Along with the swim team, there are traditional group swimming lessons that meet twice a week for a four-week session. The sessions are June and July. One of the activities open to all members is the water exercise that meets multiple times per week. This is an activity that has been enjoyed by all ages, from 13 to 88.

With the variety of activities and leisure time, it is the goal of the aquatic staff to make your time during the summer a wonderful and fun-filled experience. Please join us for a relaxing day! If you have any questions about the pool or programs, please contact our aquatics director.
