## Letter from the Manager

Greetings, QCC Members!

Autumn and October are upon us, ushering in a season of cooler weather, football and Halloween. It's my favorite time of the year!

This month we have our annual Fall Classic Member/Guest tournament. Register today by visiting or contacting the Pro Shop.

We will also have another tasty Pasta Night on October 17, and encourage you to join us.

If you are looking for spooky entertainment, we will have our fun-filled Adult and Kids Halloween parties later this month!

For the adults, join us dressed in your favorite decade-themed costume on October 25 as we serve up delicious treats and spirits.

Then on October 26, the kids have their time to dress up as they enjoy a haunted house, s'mores and many other activities here at the club.

As we get closer to year's end, a reminder to get those Christmas parties booked. Contact our office today so we can save your spot for an enjoyable holiday season.

I look forward to seeing everyone at QCC!

Respectfully,

**Amy Cragg**  
Interim Manager

## Letter from the Golf Pro

October is here and the bunker project will be under way by Casa Verde. We have met with our Architect and all things are looking good for an early October start. Thank you for your patience as the start date has been pushed back multiple times. The Casa Verde crew is finishing a project in St. Louis and will be here hopefully first week of October. As we move forward the crews will be working quickly. We will keep the membership posted on the holes that are closed for the day. With October occurring we also think of leaves changing, football and new fall gear coming into the Pro Shop. It also means we have a few golfing events in October. Our fall Junior League teams have begun practice and their first matches will be in October on Tuesday evenings.

October will be a busy month for the course. We have a few events, construction work and our maintenance team continuing to work on the course. We will do our best to keep members informed and take pictures as events occur. If a hole is closed, please be mindful and don't play the hole. You may not see someone and we want to make sure the workers are safe and that they don't have many distractions to slow progress. We are excited for the new bunkers and seeing how the course will look. When the new bunker liners are put in, they will be exposed for a short period of time before the sand is placed in them. Please do not walk on the exposed liner. We will provide some ball retrievers to get your golf balls out of the bunkers. If you walk on the exposed liner it could damage it.

It is going to be a fun month of golf and generally the best weather to play in. Thank you for signing up for the October golf events and we will see you at the Club.
